Tournament News

HORN RAPIDS
PLAYERS CLUB

- Tournament participation in 2021 was the highest that it has ever been!
 - We averaged 58 players per event, not counting the Red, White & Blue tournament, which had 113 players.
- Nevertheless, this average still represents less than 25% of our membership, so we're going to encourage even more participation in 2022.
- The Players Club installed new plaques in the Horn Rapids "Hall of Fame" (hallway at the east entrance) commemorating our tournament champions.
- 2021 Club Champions will be invited to the Champion of Champions tournament at the Home Course in DuPont, WA on April 28-29, 2022.
 - Men's Champion: Tyler Thompson
 - Men's Senior Champion: Rich Hague
 - Ladies' Champion: Sandy Bauer
